Refinances and High Fees Continue to Drive Costs

Payday and auto title businesses in Texas offer two main loan types: single payment loans, due in full in 2 weeks or 1 month, and installment loans, due in a series of payments over a period of up to 6 months. Longer loan terms mean installment loans have fewer refinances, but even higher fees.

- In the Amarillo MSA, refinances make up 64% of single payment loan transactions.
- On average, installment borrowers paid $1.07 in fees for every dollar borrowed.
- Across all four loan types, the average cost to repay a $500 loan with no refinances is $613 to $1,205. For borrowers who refinance, the average cost to repay a $500 loan can reach over $3,000. Average APRs for payday and auto title loans in the Amarillo MSA range from 295% to 485% (see table on back).
